**National Safety Council**

**Radon Test Kit Offer**

**P.O. Box 65721**

**Washington, D.C. 20035-5721**

***Allow 4 – 6 weeks for delivery.***

**\*\$17.00 per kit for New Jersey residents.**

# **Radon *only* \$9.95 Detection Kit**

**A savings of approximately \$10.00**

**Testing for radon is simple. Now you can get a  
radon test kit for only \$9.95\* from the National  
Safety Council.**

**This radon detector is a short-term test kit. Just  
follow the directions on the package and return the  
entire kit to the manufacturer for analysis at no  
additional cost. You'll get the results along with  
information about corrective measures you can take  
to lower your radon level, if necessary.**

**Remember that radon is the second leading cause of  
lung cancer in the United States. Testing for radon  
is important for your family's health and well-being.  
For your National Safety Council Radon Detection  
Kit, simply fill out the information on this coupon  
and mail it along with a check, money order or  
credit card information for \$9.95 per test kit today.**

**NSC Coupon # 955**

**If you have specific questions about radon, please  
call the Radon Helpline at (800) 55-RADON.**
